Dear Mr. Fitzgerald:

The AIHA has approved an extension to your laboratory's current certificate of accreditation in the Environmental Microbiological Laboratory Accreditation Program. This extension will expire on February 01, 2009. Remember that your laboratory's proficiency rating in the PAT programs must be maintained for the new certificate to be issued.

Your laboratory remains an accredited laboratory in the EMLAP programs. Please keep a copy of this letter with your expired certificate. If you have questions or concerns, please feel free to contact Olena Bulgakova, Laboratory Accreditation Specialist at (703) 846-0792.

Sincerely,
