

**Your money
is being wasted unless
you are using...
SAI's Free Pump Loan
Program**

www.sailab.com

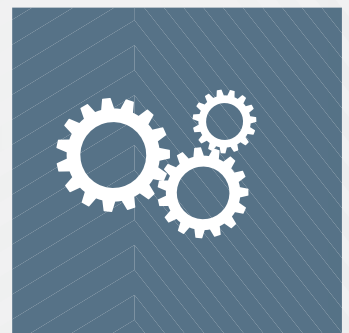

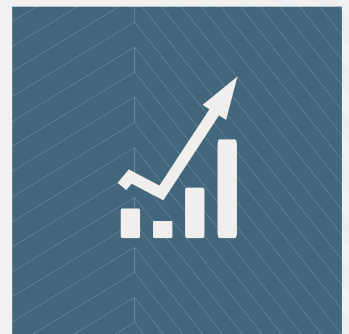

GO

CHOOSE QUALITY

SAI's free pump loan program delivers on its promise to provide you with free pumps, free media, free calibration, and any accessory that you need for your project.

Simplify your work, fill out the loan agreement, and receive your order when and where you request it.

Then, send the samples and equipment back, and get your results on time and with precision.

Scientific Analytical Institute

(336) 292-3888 lab@sailab.com

Analytical charges for this program are based on SAI's annually published rates, no more, no less.

- Silica
